

Vacation Resort Getaways

Dear VIP Member:

You have two choices.

You can spend hours making phone calls, surfing the “Net” looking for resorts you know nothing about, trying to find accommodations that **meet your needs**, hoping and praying that they are **clean**, in a **good safe location**, and at a **fair price ...**

Or you can request what you need in terms of price, room size, location, etc ... We know our resorts inside and out. We have over **6,500 Resorts Worldwide** and with our special contracts with the resorts, many of our resorts give us deep discounts that we pass directly to you. **Never a timeshare sales meeting required.** Booking direct with the resort doesn't guarantee you the best rate and the best service. Booking with **Vacation Resort Getaways** gives you the peace of mind that there is a professional who is looking out for your accommodation needs.
